A detailed illustration of a dragon, likely a Wyvern or similar creature, shown in profile facing left. The dragon has a long, segmented body covered in purple scales. Its head is lowered, and its mouth is open, revealing sharp, green, curved teeth. The dragon's wings are large and colorful, with a gradient of purple, pink, and yellow. The background is dark, and the dragon's body is illuminated by a bright light source, creating a strong contrast.

A large, purple and grey dragon-like creature with a long, spiky tail, standing on a dark surface. The creature has a bulky, muscular build with a grey, scaly body and purple, spiky scales on its back and tail. It has four large, clawed feet and a long, spiky tail. The creature is standing on a dark, reflective surface.
